

Design Tool 11.4: Super Smart Skills

Directions for students: You are working in teams during your STEM lessons, and perhaps in some other classes as well. Ask a team member to read this list aloud to the team. Talk each one over briefly. Put a checkmark by the things team members believe the team does well now.

- _____ 1 We understand the team goal.
- _____ 2 We give each other encouragement and help when needed.
- _____ 3 We cooperate and help one another be successful.
- _____ 4 We are building good relationships and learning to care about one another.
- _____ 5 We are dependable and all members do their work well.
- _____ 6 We try to think up new ideas and come up with creative solutions.
- _____ 7 We persist and keep trying when we don't get things right the first time.
- _____ 8 We show respect and support in our words and our actions.
- _____ 9 We are willing to change our minds if we need to.
- _____ 10 We accept responsibility for our team's work.
- _____ 11 We are becoming good at making decisions.
- _____ 12 We recognize and praise others when they do a good job.
