

Design Tool 11.8: 60-Second Check-In

Directions for students: How would you rate your team? Circle the hash mark you think best describes your feelings about your team at this time. You can do this checklist as individuals. Or discuss your thinking with team members and fill out this checklist as a team.

Cold indicates the phrase does NOT describe your team at all.

Hot means you think your team is doing great!

About our STEM team:	Cold----Cool----Lukewarm----Warm----Hot
1 We are making progress as a team.	-/-----/-----/-----/-----/
