

Design Tool 11.9: Team Thoughts

Directions for team members: Discuss these answers together as a team and write down what team members decide as a group. Give this to your teacher or share some of these ideas with the class.

- 1 **How would you describe your group's teamwork?**

- 2 **What do you like best about the way your team worked?**

- 3 **What do you like least about the way your team worked?**

- 4 **How do you think your team can improve?**
